E-SAFETY

There has been a lot of information in the press and Media about e-safety and the dangers that children are exposed to in the digital world. This is something we take very seriously at Sacred Heart School and we embed e-safety into our ICT curriculum and teaching.

Tuesday 7th Feb is National e-safety day and we have organised a programme of events providing additional support and advice to children. There will be an e-safety assembly for KS2 launching a range of new teaching materials. Drama Workshops will be held throughout the day for all classes from Year 1 to Year 6 promoting safe use of the internet. In addition there will be a visit from our Local Police Force to advise Years 5 and 6 on safer use of the internet including social media. In the second half of this term all KS1 and KS2 PSHE lessons will cover safer use of the internet in lessons differentiated to suit each age group.

BANANAGRAM CHALLENGE

Exciting news for KS2 - look out next week for the start of the BANANAGRAM CHALLENGE. Years 3-6 will be taking part in this challenge to support and develop spelling and vocabulary in a fun way. More to follow.....

Thank You

Sacred Heart School

You raised a fantastic £102.10 at your Sacred Heart's Talent Show to support the **Hurricane Matthew Appeal**.

This valued donation will provide practical, medical and emotional care to people in crisis.

Your kindness will help to save lives and will bring happiness to many.
