ROUNDERS

Red Team Report by Amelia M Y5

On Wednesday 24th May Sacred Heart Red team played a rounders match against Bricklehurst Manor School. We started off batting and with some amazing hits by Maddy T, Phoebe, Maddy G and Hannah and fast running by Amalie, Martha, Jemima and Sophia we managed to score some incredible rounders. We scored 6 in total.

When we were fielding we caught out lots of players from Bricklehurst with Hannah's great positioning at backstop and Sophia and Amelia's good catching. The whole team played extremely well and congratulations to Phoebe who received Player of the Match. The final score was 6:6.

Blue Team Report by Mia Y6

On Wednesday 24th May the blue team played a match of rounders against Bricklehurst Manor. In the first half we were batting while Bricklehurst were fielding. All the girls tried their hardest while batting and managed to score a few brilliant rounders.

In the second half we were fielding. Everyone did their best to try to catch the ball and stump a few players out from Bricklehurst. Throughout that half we all tried hard but unfortunately Bricklehurst managed to score 10 rounders leaving the final score 8:10 to Bricklehurst.

We would like to thank Mrs Overy for coaching us, the parents for driving us and Bricklehurst for providing us a lovely match tea.

SUNHATS & SUNCREAM

In the warm weather it is essential that your child applies suncream before coming to school and brings further supplies in they have an outdoor after school club. School uniform sun hats are also obligatory at this time of year particularly for PE lessons and lunchtime play when the sun is at its hottest. We want the children to enjoy the benefits of the sunshine without the pain!

Another busy and exciting week at Sacred Heart School where learning is fun!

A big thank you to everyone who took part in the Foundation Stage fundraiser -
Decorating Pottery. We raised an amazing **£200**

Key policies are available via the school website or on request from the school.

Love – Learn – Grow – Worship

Year 2 led us in a beautiful reflection on the Feast of Pentecost (Sunday 4th June) and the gifts of the Holy Spirit. This was followed by their cake sale at breaktime, raising **£114.65** for the Good Shepherd Appeal which supports children's charities. Well done Year 2: you are an inspiration!

This week in **Year 6** the children have been working in pairs as 'business partners' to build a theme park! They have had the opportunity to make choices and decisions; to develop problem-solving and thinking skills; to strengthen their ability to work collaboratively and to use a range of skills learnt in Maths and English. They have had a lot of fun doing so!

In addition, children have continued to enjoy making their whole-class textile story of *The Tempest*. It is very much 'work in progress', but it should be on display for the end of year musical.
