PLEASE SEE REVERSE FOR FULL DETAILS OF EACH CLUB

- **NATURE/CONSTRUCTION CLUB:**

Mainly outdoor nature related activities such as leaf hunts, planting, taking care of plants, mini beast hunts etc. This will be dependent upon the weather and available daylight and this means that an indoor nature related activity will be organized instead or on occasion, the children can play with construction toys as there is not much opportunity for that during the school day.

- **FILM CLUB:**

In Film Club we watch a variety of films, 'Pixar Shorts' as well as some of the latest feature length movies, recently released (only films with U certificate are shown). We discuss characterisation and plots and we also act as critics, rating and reviewing our favourites as well as thinking about what makes each of those films successful.

- **TEXTILES CLUB:**

We will be designing and making many pieces of work using a variety of techniques such as embroidery, bead work, applique, weaving and many more. Come and see what you can achieve!

- **ENGINEER CLUB:**

Do you enjoy designing and making things? Perhaps you have what it takes to be an Engineer? Join the club and gain your engineering booklet, we will be designing bridges using marshmallows and spaghetti using ICT to code as Engineers and using a growth mindset to develop and design the future.

- **COOKING CLUB:**

Join Miss Cooper as we make delicious treats and wonderful things to take home to eat. Cooking club is lots of fun and we learn lots of skills you can use at home with your parents help. We learn to cut things carefully using knives, use graters and spatulas, make soups and salads and also CAKE!!!! Be early as I can only take a small number of children.

- **LEGO**

This club is to give opportunities to learn to play with traditional lego.

- **JUNIOR AND SENIOR SCHOOL CHOIR**

With the growing popularity of singing throughout the school, we have decided to develop our Choir and this term will trial a Junior Choir for Y1-3 and a Senior Choir for Y4-6. If successful, the two choirs will sing at musical events throughout the year.

- **BOARD & CARD GAMES:**

This club is to give opportunities to learn to play traditional board and card games.

- **REASONING SKILLS CLUBS:**

By way of explanation could I point out that this Club is to be offered in the Spring Term 2019 specifically to cater for those pupils who are intending to sit the Kent Selection Tests (11+) and/or Independent School entrance exams in Year 6. The pace and content of the sessions mean that it is not appropriate for all pupils. If you are in any doubt, please speak to Mrs Leftwich in the first instance.

Parents will be invoiced for practice materials used in the sessions (approximately £18 per term).

Verbal and non-verbal practice will continue within the regular school day. The club will continue during the Summer Term.

- **MSPORTI FOOTBALL CLUB**

All of our coaches are F.A. qualified, CRB/ DBS checked and First aid trained.
