NATURE CLUB:

Will be a mixture of indoor construction and – mainly outdoor nature related activities such as leaf hunts, planting, taking care of plants etc. this will be dependent upon the weather and available daylight.

FUN FUNKY GYM

Fun Funky Gym is for all those children that love to make and do. We'll play with playdough and goop. We'll build with lego and mobilo. We'll enjoy dancing. We have fun doing lots of different things with our hands.

FILM CLUB:

In Film Club we watch a variety of films. We discuss characterisation and plots and we also act as critics, rating and reviewing our favourites as well as thinking about what makes each of those films successful. We also look at film adaptations of books, considering how well these make it from print to screen.

CREATIVE COLOURING & CRAFT CLUB:

Creative Colouring and Craft Club alternates between enjoying sessions of mindfulness and creative colouring and craft sessions where the children enjoy making things by hand using a variety of materials, skills and techniques.

MSPORTi KWIK CRICKET CLUB

The Coach will lead fun-packed sessions and teach an essential range of Kwik Cricket skills. We have carefully selected fun-based drills and games which will develop each child's co-ordination and confidence whilst improving physical fitness. Children will be able to develop their skills at their own pace, where a positive team spirit will be encouraged at all times. All players will enjoy our mSPORTi after school club programme, which includes:

Enjoy learning new skills in our themed sessions which encourage a focus on achievement with plenty of opportunities to put skills into action through small-sided games and matches - mSPORTi fun tournaments on the final week of term

On the final week of term all the children that attend the mSPORTi after school clubs will be receive an attendance prize. We will also be awarding one child per group with the 'Player of the course' award.

All of our coaches are F.A. qualified, CRB/ DBS checked and First aid trained.
