## ROTARY SHOEBOX APPEAL

Thank you to those of you who have already returned shoeboxes for this worthy appeal. We still have some empty boxes in the school office if you wish to join in. Boxes can be filled for children, teenagers, senior citizens and families or for babies. The Rotary Club is very appreciative of the support given by Sacred Heart pupils so I hope we can look forward to another good response this year. Filled boxes should be returned to the school by Monday 13<sup>th</sup> November. For further details see [www.rotaryshoobox.org](http://www.rotaryshoobox.org)

## REMEMBRANCE DAY PARADE

We hope to have your support for the Wadhurst Parade on Sunday 13<sup>th</sup> November and if you haven't contacted the office already please do let us know if you will be in attendance. Children should wear school uniform and assemble at Gloucester Road at 9.50am. We will be carrying the school banner and laying a wreath at the War Memorial at 10.15am.

## DATE FOR YOUR DIARIES - FOUNDATION STAGE SHOWCASE

We are opening the new building for a special social evening to showcase the new Foundation Stage classrooms. We hope all parents will be able to join us for the evening – or at least part of it. Drinks and canapés will be served, along with live music (not the school choir!) and the opportunity to view our new and improved provision. It is a little 'thank you' from us to you, the parents, and the ideal opportunity for us to show off our new building! Please look out for the formal invitations in book bags next week.

### **FOOTBALL v The Mead Report by Victor Y6**

On Wednesday 1<sup>st</sup> November 2017 Sacred Heart played an exciting football match against The Mead. We swiftly jumped into the first quarter keeping the ball in the opposition's end and, with some great passes from Will and Hughie, Jack managed to slide in our first goal. That was the end of the first quarter. With the opposition starting the second quarter with the ball, we were driven into defence but managed to climb back up into possession. Oliver quickly moved forward out of defence and passed to Jack who scored another amazing goal. After the goal kick from The Mead, Rafferty gained possession, dodged all the players and passed the ball to Hugh who scored our third goal.

Now it was half time and with a quick team talk we were ready to play our best. We went up into their goal area with some truly amazing passes from Aaron and Will; Hugh almost managed to score but soon after there was an own goal by The Mead. In the final quarter The Mead were quickly getting into attack and headed towards our goal but Monty managed to push up and came very close to scoring. With the end of the match the final score was 4:0 to Sacred Heart!

We would like to thank Mrs H-T for coaching us, the Community Bus driver for driving us to the venue and The Mead for the lovely match tea.

### **NETBALL v The Mead**

#### **Team A Report by Amalie and Sophia**

On Wednesday 1<sup>st</sup> November, Sacred Heart Y6 team played a match against The Mead at home. We started well, fighting for the ball and Eleanor, Martha and Freya defended fantastically throughout the whole half. Within a few minutes, The Mead caught the ball and slipped in two goals. It was then our centre pass and Sophia passed to Phoebe who passed back to Sophia to score an incredible goal but despite our efforts The Mead scored five goals. We fought though and Sophia scored another fabulous goal. By the end of the first half the score was 7-2.

In the second half we came back strongly and Freya did a stunning interception which caused the ball to be in our control. We ran fast, Amalie caught a great pass from Eireánn who then threw to Eleanor who then scored an extraordinary goal which made the score 7-3. After the goal, we were determined to get the ball to our shooting side but the Mead were stronger and got it to theirs. They scored three goals but that didn't mean that we gave up. Sadly, the Mead were just too tall and scored two more goals, winning the match.

Well done to Sophia who was awarded 'Player of the Match.'

#### **Team B Report by Alana Y5**

On Wednesday 1<sup>st</sup> November Sacred Heart Netball team played against The Mead. In the first half Avaani and Sophie made some brilliant passes and we all played our best. Early in the game the first goal was scored by Elena - it was an excellent shot. Although we were all playing well The Mead sneaked in two further goals in the first half making it 2-1 to them. After half time we were still strong. Elena and Millie made lots of passes and Avaani and Mia intercepted well. The Mead were playing well and scored another two goals making the final score 4-1 to them.

Well done to Elena who was awarded 'Player of the Match'

We would like to thank Mrs Overy for coaching, the dinner ladies for a great match tea and the parents for supporting.

### **BARNABY BEAR**

Barnaby Bear had a wonderful and exciting trip to LA during the half term with Alfie Y3 and Beatrice Y2. They visited Universal Studios, the

Observatory, the Hollywood sign, Disneyland, and beaches. Barnaby even managed to escape for a little time alone!

## **Another busy and exciting week at Sacred Heart School where learning is fun!**

### **Volcanic Eruptions in Year 4!**

This week has been very exciting in Year 4. We have been busy designing and building our volcanoes over the half-term break and this week they erupted! Year 4 spent an exciting Geography lesson learning about how volcanoes erupt and also combining a bit of chemistry too! Most of us erupted our volcanoes using vinegar and bicarbonate of soda causing a chemical reaction and - Hey Presto! - a mimic of an eruption. Check our photos below to see what a lot of fun we had learning all about volcanoes. This has been part of our Geography topic on Extreme Earth.
